In the Matter of)
DTV Consumer Education Initiative) MB Docket No. 07-148

Quarterly Report of Hemingford Cooperative Telephone Company

Hemingford Cooperative Telephone Company ("Licensee") hereby reports to the Commission its actions regarding educational efforts about the transition from analog broadcast television service to digital broadcast television service (DTV).¹ This report covers the time period of April 1, 2008 through June 30, 2008.

Licensee holds one license in the 700 MHz band that it acquired through bidding in Auction No. 73. These licenses are detailed below:

Call Sign	Block	Frequencies
		000698.00000000-
		000704.00000000
WQIZ560	A	000728.00000000-
		000734.00000000

Licensee has implemented consumer outreach efforts regarding the DTV transition. Information concerning the DTV transition has been placed in all customer bills for the months of May and June 2008. A newspaper ad has also been placed in a local newspaper in order to reach consumers who may be affected by the DTV transition.

As per the Commission's rules, Licensee will continue to report on a quarterly basis its consumer outreach efforts, if any.

Respectfully submitted,
